Our Speaker

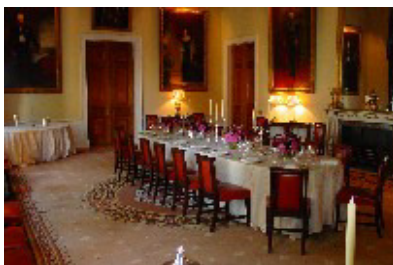

Alderman and International Banker Peter Estlin was elected as the 691st Lord Mayor of London on 1 October 2018 and assumes the role in November. During a very high-profile career in banking both at home and abroad, Peter has a fearsome reputation for clear thinking and decisive action. His Mayoral theme is to further promote the City on the international stage post-Brexit and to eradicate what he terms 'digital poverty'. Peter is an excellent speaker, forthright and humorous and has been a good friend of the Company.

You are strongly encouraged to hear at first hand what our Lord Mayor has to say.

Trinity House

Trinity House, headquarters for the lighthouse service, was built in 1796. It has a unique and elegant suite of rooms in a tranquil city location overlooking Trinity Square and the Tower of London. The present building was designed and constructed at the end of the 18th century and, in contrast to the Livery Halls more commonly associated with the City of London, has the look and feel of an elegant private residence. Furthermore, Trinity House reports not to the Lord Mayor of London, as the City Livery Companies do, but to the sovereign.
