Company Visit to the Globe Theatre
18th September 2019

As a Liveryman of the Water Conservators Company, you are cordially invited to join the Master at the Globe Theatre to see a performance of "As You Like It" in a private box offering premium views of the stage.

The itinerary will be arrival at 1.30 pm for an afternoon performance of "As You Like It". The Master invites all present to join him for a glass of champagne during the interval.

The Globe Theatre

The Globe Theatre is a faithful reconstruction of the open-air playhouse designed in 1599, where Shakespeare worked and for which he wrote many of his greatest plays. The theatre season runs from May to September with productions of the work of Shakespeare, his contemporaries and modern authors. Each year the Globe Theatre Company rediscovers the dynamic relationship between the audience and the actor in this unique building. The Globe also welcomes international theatre companies to share the impact Shakespeare's plays have had worldwide. Today, audiences of this 'wooden O' sit in a gallery or stand informally as a groundling in the yard, just as they would have done 400 years ago.

As You Like It

A firm favourite among Shakespeare's comedies, and featuring some of his best-loved characters, *As You Like It* runs the glorious gamut of pastoral romance. A series of mistaken identities and mishaps in the Forest of Arden ultimately sees new friendships formed, and families and lovers reunited.
