The Worshipful Company of Water Conservators
Promoting a diverse and sustainable environment

Carols by Candlelight All Hallows by the Tower Thursday 14 December 2023

*Come and join the Water Conservators and church community
at a festive service of Carols by Candlelight,
with music by the Square Mile Choral Scholars*

The Carol Service starts at 18.30 and is followed by a reception.

Why not come early and explore the museum in the crypt which is in part of the original Saxon church and contains the Roman tessellated floor of a late 2nd Century domestic house, a collection of Roman and Saxon artefacts, church plate and ancient registers dating back to the 16th century. This historic church was founded in the 7th century, suffered catastrophic bombing and fire in World War II, and has been rebuilt to serve the city community. It is the home for several Livery Companies including the Water Conservators.

Please contact the Clerk at clerk@waterconservators.org by 30 November to confirm that you would like to attend. We are limited to 30 for the Carol Service due to popular public demand.
