

The Worshipful Company of Water Conservators

Webinar

You are cordially invited to join the Water Conservators' 4th Webinar

Innovation in the New World

A collaborative approach to innovation in the UK Water Sector

Wednesday 9th September 2020 5.30pm to 6.30pm

Presented by **Steve Kaye**, CEO UK Water Industry Research

About this Webinar

- Creating an innovation strategy to meet the challenges and opportunities of the UK water sector
- A national approach to benefit customers, environment and the economy
- The key themes and areas of focus

About the Speaker

Steve Kaye is a Chartered Mechanical Engineer who has worked in the water industry for around 30 years. Later, working in the water utility industry, Steve held key roles in Engineering, Operations and Innovation. He has an MBA from City University and is a visiting professor at Imperial College London. He is now CEO of UKWIR .

How to Join this Webinar

The webinar will be held over Zoom Video Conferencing and attendees may join free of charge. Please ensure you have down-loaded **Zoom v. 5.0** which is available free at <https://zoom.us>

Once installed, attendees should click on this link to join the webinar:

<https://us02web.zoom.us/j/81712196959?pwd=NTlzc2BFWkZHeTd3WUVESGpOV2x0UT09>

Meeting ID: 817 1219 6959

Passcode: 784827

Please ensure you join just before the published start time – a couple of minutes early will be fine and you will be placed in a 'waiting room' prior to the webinar commencing. Please note that all attendees will automatically be on 'mute' so will not be able to speak to the presenter. They may however ask questions via the 'chat' feature on the Zoom main screen. The webinar will be recorded for future use including posting on our website. Attendees email details will **not** be accessible by any other attendee (save the host) nor through any recording.
