

Installation Court Lunch 2nd July 2014

a few more photos....

Guests gathering at Carpenters Hall on the 2nd July for the Installation Lunch, maybe weren't aware of some of the preparations.

The newly installed Master Roger North (left) and the Bargemaster John Dwan (centre) were getting into their robes, while the Clerk Ralph Riley and Beadle Tony Parker (right)...

prepared to greet members and guests

... including the rowers from Poplar Rowing Club who row the Company Cutter Water Forget-me-Not.

A good time was had by all !
