

**MASTER'S CLARET GOBLET
PRESENTED BY PAST MASTER BARRY DENNIS**

During his year as Master, Barry Dennis noticed that many of the Livery Companies seemed to have a "quality" Claret goblet that the Master drinks from at Lunches and Dinners.

So he thought the Water Conservators should have one as well !

The inscription reads:

*Worshipful Company of Water Conservators
Master's Goblet
Presented to the Company
by
Master Barry Dennis
July 2012*

Before the Installation Lunch outgoing Master, Barry Dennis presented the engraved Goblet to the incoming Master, Peter Matthews.
