

*Incorporated by Royal Charter 2005*

# **The Worshipful Company of Water Conservators**

*Promoting a diverse and sustainable environment*

## **MUDLARKING (AGAIN) ON THE THAMES FORESHORE**

**11.00 am – 1.00pm 15 March 2023 at the Millennium Bridge, North side**

**Another opportunity to enjoy this fascinating pastime!**

**The Thames foreshore has seen thousands of years of history and every day the tides reveal fascinating relics of London's past. The river brings Roman coin, a Tudor dress pin, or a wine bottle from a Victorian picnic.**

**We will explore the foreshore in a private tour with an expert guide from the Thames Exploration Trust. Our guide will talk about the history of this unique environment and accompany us for two enthralling hours of mudlarking.**

**Who knows what we might find!**

**There will be an informal pub lunch afterwards, probably at the Founders' Arms which is a few minutes' walk away and has a terrace overlooking the river.**

**The tour will cost £15.00 per head and is open to Company members and spouses but numbers are limited so book early! Please email Georgina Drummond at [lynxelot@hotmail.com](mailto:lynxelot@hotmail.com) to book and for payment and other details.**

**Our previous Lark in July 2022**
