

Pumpkin Carving Competition 31st October 2020

I was immensely pleased to see the fantastic response to the Water Conservators "Pumpkin Carving" Competition ably organised by Walbrook Warden Christine Jarvis. We had 17 entrants in the under 16 years old category and 14 in the above 16 years old. The standard of entries was also extremely high making it a really difficult job for Christine and myself as judges to pick the two winners.

In the end we decide to award 1st prize to Anna and Martin Baggs (see photo on the left) in the Over 16 Years Old category and 1st prize in the Under 16 Years Old category to Chloe Hayes (aged 10 – see photo on the right). Christine and I would like to express our thanks to everyone who entered.

As you can see from the photos below the standard of entries was particularly high with some really outstanding designs and ideas. We had entrants from children as young as 6 years old in the Under 16 category and the Over 16's included entries from our learned Clerk and Sheriff Alderman Michael Mainelli. My special thanks go to Walbrook Warden Christine Jarvis for coming up with this brilliant competition and managing all the photos.
