

The Worshipful Company of Water Conservators

THE WATER CONSERVATION TRUST

(Registered Charity No. 1007648)

REGENTS CANAL SPONSORED WALK

Little Venice to Battlebridge Basin

Sunday 25th September 2022

Supporting our Schools Education Programme

To raise funds for our school's programme, the Water Conservation Trust (the charity of the Worshipful Company of Water Conservators) is organising a sponsored walk for Sunday 25th September 2022 along the Regents Canal from Little Venice, Paddington to Battlebridge Basin at Kings Cross.

Little Venice Basin

If you would like to support the walk and help raise money for the Water Conservation Trust, please email rob.casey1@hotmail.com or complete the slip below to register for the event. The walk, around 4.5 miles in length, will take around 2.5 hours to complete, starting at Paddington Station at 12 noon on Sunday 25th September 2022 and finishing at Battlebridge Basin, Kings Cross. The walk route will follow the streets and paths along the canal and hence normal footwear will suffice. Walkers can either bring sandwiches or enjoy a late lunch at Granary Square, Kings Cross.

The Water Conservation Trust

The Water Conservation Trust is the Charity of the Worshipful Company of Water Conservators. All members of the Company are committed to supporting charity work. The Trust's main objectives are to further education and research in the water cycle, waste management and the environment, with a view to its conservation. Key activities include:-

- Supporting projects in schools and giving prizes to encourage science and environmental learning.
- Bursaries for Masters' students studying water and environment subjects at selected UK universities and Dissertation Prizes for the best Master's thesis on relevant subjects at each university.
- Awards to a range of organisations which have established links with the Company, for example, the cost of a berth on a training ship for the Maidstone Sea Cadets' Cadet of the Year.

The Trust relies on Company members' giving and fund-raising events, such as sponsored walks, to support the Schools Education Programme (see the **Charity Update** on the Company's website for details). By taking part in the walk, or sponsoring a walker, members can help expand the Trust's activities with schools. Over the last few years the Trust has worked with many schools, current and recent projects include:-

- The installation of a pond and aquarium at Ruislip School to encourage science and environmental learning.
- Support to Ysgol-y-Gogarth, a day and residential special school to develop education and training facilities.
- The installation of a safety grid to save a pond at Hillside School Orpington for science studies.
- At Hugh Myddelton School projects have included the successful makeover of the wildlife area, a safety grid for a pond inside the school building, a weather station, and furniture plus lab coats for a new STEM classroom at the school.
- The funding of river education packs to support 21 schools in Huddersfield with river education visits.
- Funding educational visits to the Museum of Water and Steam.
- Funding educational visits to Spitalfields City Farm.
- Equipment for an outdoor growing area at the London Welsh School.
- The Trust has also awarded pupil prizes to schools for projects associated with science and environmental learning.

To participate in the Sponsored Walk please post this slip or email rob.casey1@hotmail.com to return no later than Monday 19th September 2022

I would like to participate in the 2022 Sponsored Walk and bring guests

Name

Address.....

E mail.....

Name(s) of guest(s)

First Name.....Surname.....

First Name.....Surname.....

Please return by post to Rob Casey, 46 Chalklands, Bourne End, Bucks. SL8 5TJ
or email rob.casey1@hotmail.com Confirmation will be by email sent to your email address or by post with details of how to set up your own fund-raising page.

If you can't join the walk, you can sponsor us using the following link to our Just Giving page

As facilities for online donations are longer available via Virgin Money Giving we currently setting up a new page via Just Giving and details will be forwarded when they are available:-
Click on donation and search on Rob Casey to ensure the donation goes via my page. The funding page is in my name to ensure we are able claim for matched funding from Thames Water's Charity Committee. Hence your contribution could be multiplied by 2 in terms of the funding we raise and can make a real difference to the schools.

Alternatively send a cheque made out to the Water Conservation Trust to our Treasurer Peter Hall at the following address

6 Bluebell Drive, Burghfield Common, Reading, Berkshire, RG7 3EF
