

Master's Trip to Venice 2022

Reminder

2nd to 6th March 2022

In partnership with Jules Verne Tours, the Master's Trip will be to Venice from 2nd to 6th March 2022, staying on the CroisiEurope riverboat, MS Michelangelo, which is moored near St Mark's Square.

It is anticipated that participants will have an opportunity to visit the Mose Flood Barrier Visitor Centre, explore Venice together, have free time or take trips organised by Jules Verne during the stay.

If you are interested, please contact Consort Georgina (georgina@gmhall.co.uk) for more details and booking instructions. We can only hold the places for a limited amount of time so a speedy reply, if interested, would be appreciated.
