

The Worshipful Company of Water Conservators

Virtual Cocktails Evening

7 to 8:30pm Thursday 28th January 2021

As the situation with covid-19 continues I would like to invite our members, partners, and families to a virtual cocktails evening in January as an opportunity for members to get together and socialise during the bleak winter months.

For those who attended our successful wine tasting evening in the autumn and for those who may have missed it, this is another opportunity for all to renew our relationships with good friends in the Company utilising the breakout facility in Zoom to split a meeting to smaller groups of 5-6 to enable people to socialise. The basic idea for this evening is that those attending prepare their favourite cocktail describing the recipe and qualities of the cocktail to others in the group. With 4 separate breakout sessions, it should give everyone an opportunity to socialise with other members and perhaps even learn about one or two new cocktails to try. Attendees can vote for the best cocktail demonstrated by another attendee using the chat facility and then the Master will award a £25 voucher to the most popular cocktail. At the close, if still reasonably sober, I will share some of those thoughts with everyone.

For details of how to attend using zoom video conferencing see the Webmaster email to members. You do not need to register for the event but could you email me at rob.casey1@hotmail.com before the evening to let me know if you and possibly your partner will be attending. No replies will be sent, it is just to help us plan break out session numbers.

Rob Casey
