

# The Worshipful Company of Water Conservators

## Virtual Wine Tasting Evening

### 7 to 8:30pm Thursday 15<sup>th</sup> October 2020

The situation with covid-19 in the autumn may still prevent many of our members from meeting up to socialise, and in anticipation of this possibility I would like to host a virtual wine tasting evening in October for our members and partners.

It will be a great opportunity for me to formally welcome everyone and an opportunity for all to renew our relationships with good friends in the Company utilising the breakout facility in Zoom to split a meeting to smaller groups of 5-6 to enable people to socialise. The basic idea is that those attending go out and buy a bottle of wine (perhaps one that they have never tried before), and then open it in a breakout session, sharing their thoughts on the quality of wine with others in the group. With 4 separate breakout sessions, it should give everyone an opportunity to socialise with other members and perhaps even learn about one or two new wines to try. For those with partners you might want to buy 2 bottles to keep the conversation going and share your recommendations or otherwise via the zoom chat facility. At the close, if still reasonably sober, I will share some of those thoughts with everyone.

For details of how to attend using zoom video conferencing see the Webmaster email to members of 14/08/20. You do not need to register for the event but could you email me at [rob.casey1@hotmail.com](mailto:rob.casey1@hotmail.com) before the evening to let me know if you and possibly your partner will be attending. No replies will be sent, it is just to help us plan break out session numbers.

Master Elect Rob Casey
