

## WATER CONSERVATORS' GOLF DAY

Tuesday 30<sup>th</sup> September 2014

For the third year running the Water Conservator's Golf Day was held at Leatherhead Golf Club. Fortunately the Indian summer lasted long enough to provide warm and dry weather for the players.

Although the number of Water Conservators' was sadly low the event was boosted by a team from our Corporate Member firm, Atkins, as well as teams from the following livery companies – Drapers, Horners and Art Scholars.

It was only right and proper that our Master, Roger North, should be the winner of the Bill Smith Trophy (again - we really do need to find some of our members who can give him a challenge!). The Team Prize was won by the Water Conservators. The Ladies Prize was won by Denise Burgess from Atkins and the guest prize was won by Terry Kerr of the Horners.

The participating livery companies seemed to enjoy the day and they will hopefully be back next year, and perhaps with other Water Company corporate members it will ensure a sustainable way forward for the golf days.

If any members would like to be informed about next year's WC golf events please contact Richard Waller [rkwall@cecc.com](mailto:rkwall@cecc.com)
