

THE LADIES OF 'WATER-FORGET-ME-NOT' WIN AGAIN

The Water Conservator Ladies team continue with their winning streak as yet again our Ladies team have won a race on the River Thames.

May 14th was wet and cold but the evening sun shone well on the Admiral of the Port race and the rowers soon worked up some heat.

Our team a crew of four rowers and a cox also included the Thames Warden Peter Matthews and his wife Lis who sat very still !!

Peter and Lis said that it was a exciting evening and that they were looking forward to the next race in July.

Well done ladies !!
