

BUCKINGHAM PALACE

To: The Worshipful Company of Water Conservators

---

The Queen wishes me to write and thank the Master, Wardens, Liverymen and Freemen of the Worshipful Company of Water Conservators for your message and for the silver tankard you have sent to Her Majesty as a present on the occasion of her Diamond Jubilee.

The Queen was very touched by your kind thought in sending her this gift which has given her much pleasure.

I am to thank you for your continuing loyalty and support and, once again, for your present and your message of good wishes to Her Majesty in this, her Diamond Jubilee year.

*Jary Louise*
